

## **Province VII Junior Directress Report**

Dear sisters in Christ, I have enjoyed being a part of the Province VII board and working towards building and supporting our junior chapters in Province VII. I have contacted by email/phone junior directresses of all newly formed junior chapters. I attended and assisted at the Diocese of Texas Junior Daughters assembly in December 2010 at Camp Allen in Navasota, Texas. A junior daughter and I will present at the March 2011 Province VII assembly in Little Rock Arkansas. Our presentation will be about reaching out to the youth in our parishes, how we as senior daughters can serve in a variety of ways.

I look forward to working with fellow junior directresses at our National Junior Directress retreat set for August 4-7, 2011, check the National DOK website for more information. Please ask your chapters and Diocese to help send you as a junior directress to this retreat. It is very beneficial to the service we do for our juniors.

There will be a Province VII junior daughter assembly along with the 2012 Province VII senior assembly at Camp Allen, Navasota, Texas. Please plan ahead to attend and consider applying for the Alpha Fund for help with expenditures.
