

Province 7 Vice President's Report

Marti Fagley

The Episcopal Diocese of Fort Worth

In August, the Diocese of the Rio Grande invited me to speak at their assembly at Hope in the Desert Episcopal Church in Albuquerque. My hosts were Deborah and Howie Tischler and participated in their assembly focusing on Healing. Following the Assembly, I attended Sunday services with the Tishler's where their daughter, Chloe, a seminaria, offered the sermon that day.

In November, the Diocese of West Texas invited me to speak to them at their Diocesan Assembly in Harlingen, TX. St. Alban's Chapter of Daughters of the King hosted this assembly. Karen Duerr and Rhula Micheltree were my hostess at this event.

This past year, I have gone through two very difficult personal losses, both my mother and mother-in-law. I was elected to the Standing Committee in the Diocese of Fort Worth, am Dean of the Western Deanery, am a member of the Executive Council in our Diocese, and the Commission on Education. I belong to St. Julian's Bishop's Chapter and promote our Order wherever I go.
